

**CHOOSING YOUR
CHILD'S SCHOOL PLACE
IN HEATHFIELD
FOR SEPTEMBER 2021**

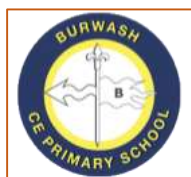

WELCOME!

We are the **HASP** group of schools, which stands for the **Heathfield Area Schools Partnership** (HASP). There are ten schools in HASP and you will find a little bit of information about each of them in this booklet. Normally, you would be welcome to visit all of the schools as you make the important decision of which school to choose for your child for September 2021. However, due to the current restrictions and uncertainties, some schools have decided that their Open Evening offer will be entirely online, done through videos, PowerPoint presentations and other things. A few schools will still be showing limited groups around, and these are detailed below.

We are very lucky in the Heathfield area because all of our schools are rated as 'Good' or better by Ofsted. All of the schools have vibrant and informative websites that you will want to visit and some have Facebook pages and even YouTube channels. We recommend that you also talk to parents who already have children at our schools as that can also help you to make the very important choice that you are facing. All of the HASP school leaders work closely together and support each other, and so we hope that whichever school you finally choose, you will be happy with your choice. We wish you the very best of luck with your school choice for 2021.
