This model document was updated on 4 November 2020.

It is being kept under review as updated guidance is published by the Government and reviews of the impact of COVID-19 by Public Health England.

Schools should share the results of their risk assessment with their workforce (including local union representatives). If possible, they should consider publishing it on their website to provide transparency of approach to parents, carers and pupils (HSE would expect all employers with over 50 staff to do so).

The [DfE latest documents and guidance webpage](#) is being updated regularly

			<ul style="list-style-type: none"> ● If anyone becomes unwell with signs of COVID-19 they must be sent home and households advised to follow the <u>COVID-19: guidance for households with possible coronavirus infection guidance</u> ● Isolate the pupil / member of staff immediately to a room behind a closed door. If appropriate arrange adult supervision in line with guidelines. Ideally open a window for ventilation. Separate bathroom facilities should be used if necessary, which should then be cleaned and disinfected before use by anyone else. ● Employers have a duty of care for all staff and should ensure that staff who are sent home displaying symptoms of COVID-19 are tested as soon as practicably possible. Headteachers should communicate to staff that if they are displaying symptoms they should be tested 'as soon as practicably possible.' ● For schools that purchase the HR Advisory Service, further information can be accessed here or through their designated HR Consultant https://www.services2schools.c

9.	Contingency planning for a potential local outbreak	All pupils and staff	<ul style="list-style-type: none"> For individuals or groups of self-isolating pupils, remote education plans are in place. These should meet the same expectations as those for any pupils who cannot attend school at all due to coronavirus (COVID-19). (see DfE guidance on remote education support). <p>Google classrooms has been set up and will be used to support children not in.</p>				<ul style="list-style-type: none"> Leaders and governors should devise contingency plans to cover a potential local outbreak. In such an event the PHE health protection team or local authority may advise a school or number of schools to close temporarily to help control transmission. <p>See LA model Contingency Plan (available via the Message Board). In addition the DfE full return to school guidance – section 5 outlines the scope required and provides links to resources to support these plans.</p> <p>Temporary Continuity Direction</p>
