Instagram

Instagram is a photo and video sharing app that is popular with teens. People on Instagram can connect with one another through comments, captions, reels, stories and hashtags on photos and videos.

Young people use Instagram as a way to engage with their friends, share pictures and videos of their lives or things they like doing, and as a way to share their creativity in stories.

4 Safe Search Engines for Kids

Share this post:

Educatorstechnology

If you are a parent or a teacher looking for search engines to recommend to your kids and students, the list below will be a great start for you.

1- Ask Kids

Ask Kids

Ask Kids is a search engine designed exclusively for young people ages 6 to 12. It's a free, safe, fun way for kids and their parents to quickly and easily research school topics like science, math, geography, language arts, and history in a search environment that's safer and more age-appropriate than traditional, adult search engines.

I work with children

Childnet Primary Pages – Tips and resources for teachers

On the Childnet website you can find a range of information pages specifically designed for children aged 8-11 years old.

Childnet Primary Pages

Online safety advice, activities and quizzes for children aged 3-11

'Smartie the Penguin' story collection

An online story for 3 to 7 year olds.

Digiduck's story collection

The Digiduck® collection has been created to help parents and teachers educate children aged 3–7 about online safety. The

Welcome to CEOP Education

THINK U KNOW .CO.UK

The National Crime Agency's CEOP Education team aim to help protect children and young people from online child sexual abuse.

We do this through the CEOP Education Programme which provides training, resources and information for children and young people, their families and those who work with them.

Explore our websites for more.
