Phonics information for parents

What is Twinkl phonics?

- ▶ Twinkl phonics is a Department of Education (DFE) approved phonics scheme.
- ▶ Twinkl Phonics aims to help all children in your school learn to read by the age of six in a fun and accessible way.
- ▶ The whole school programme matches the National Curriculum and Early Learning Goals.
- ▶ There is a mixture of books/e-books and digital games that underpin the high quality teaching the children receive daily.

What we do at Dallington:

- ▶ The children in Reception and Key Stage 1 receive phonics teaching daily
 - ▶ Twinkl provides the structured programme that is followed.
 - ▶ The sounds are reinforced throughout the day - in reading, spelling or talking.
-
- ▶ You are welcome to ask your child's class teacher about their progress in phonics

PHONEME

- The smallest unit of sound in a word.
- There are 44 phonemes that we teach.

Graphemes are:

- ▶ Letters representing a phoneme
- ▶ eg. d ay igh
- ▶ When children practise recognising the grapheme and saying the phoneme that it represents on a daily basis they will be confident readers in a very short time.

Blending is:

- ▶ Recognising the letter sounds in a written word, for example
- ▶ C-a-t
- ▶ and merging or 'blending' them in the order in which they are written to pronounce the word cat.
- ▶ Activities that you can do at home include segmenting some words that form part of instructions eg;
- ▶ Please go and get the b-r-oo-m.

- ▶ Then the child will say the word and follow

Phonics screening check

- ▶ The Government requires each school to complete a Phonic Screening Check for all year 1 children.
- ▶ The check takes place in June
- ▶ The check is carried out on a one to one basis, by a teacher who knows your child well and who they feel comfortable with.
- ▶ Since 2020 there has also been a Phonics Screening Check for year 2 children. This was following the disruption caused by COVID. This check was in the Autumn term - if a child did not pass they could resit with the year 1's in June.

The format of the check

- ▶ The check will consist of 40 words: 20 real words and 20 pseudo words.
- ▶ There are 2 sections. The first section has simple word structures. The second section has more complex word structures including 2 syllable words.

Here are some examples

▶ Section 1
