## Blue Peter badges

In the last newsletter, we shared with you how Teddy and Elise had received their Blue Peter badges for reading. Well, we have more good news! Ava received hers for a story she wrote...congratulations Ava!

## Inset days

The dates for the term are on the green band – please note the inset days at the end of July – I would hate for people to miss out on a cheap holiday or even worse turn up for school!!

## Rugby

Yesterday we entered a team into the Heathfield area's tag rugby tournament. We were a little ragtag bunch, but we did amazingly well! We played 7 games – we drew 2 and won 5! The whole team was brilliant and deserves an awful lot of credit for the attitude and sporting prowess!

## Brochures

Class brochures will be coming home next week – they will outline what the children are learning this term and how you can support them and us. If there are any questions, please speak to the class teacher.

## Library

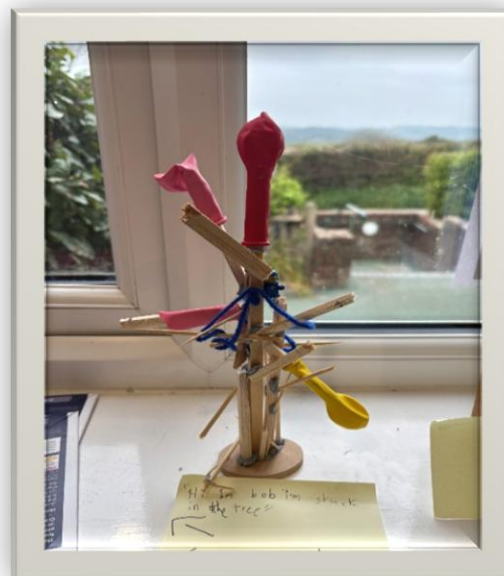

Our library is taking shape. Just before Easter, the room was painted and a new carpet put down. Mr Thompson has started to build our tree house and some booths for the children to enjoy their reading. We were

hoping that the library would be open very soon, but we have still not heard back from the insurance company about the books. I will keep you up to date, but it looks very exciting and will be an environment that fosters a love of reading and excitement.

### Construction

Our year 5 /6 have been using their creativity and imagination in art. They were challenged to construct a 'representation' – the boys went abstract, and the girls constructed a tree from forest school. They were using only select materials and Blu-Tac. I came in to my room on Thursday to be greeted by these two models- a massive well done to Orson, James, Luca, Lucy and Lavinia.

## Finally

This term is always an enjoyable one but a lot is going on – the dates are not on the bar, but we have

KS2 Sats – the w/b 12<sup>th</sup> May

Year times tables tests – fortnight beginning 2<sup>nd</sup> June

And

Year 1 phonics w/b 9th June

All of these are hurdles the children go through – the results do not define them! We know that the children will all try their hardest and we will still be proud of them!
