

Your Class Team

Mon – Tues – Mrs Bloom

Weds – Fri – Mr Tooze

TA – Mrs Langley

INA – Miss Rayiru and Miss Stait

Welcome back. We are looking forward to a successful year with Brightling Class.

English

This term we are reading *The Explorers* by Katherine Rundell. We will use this as inspiration to write our own adventure stories.

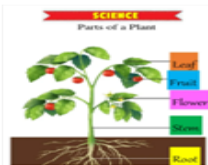

Maths

We are focusing on multiplication and division in term 3.

After half term we will move onto area and perimeter before learning more about fractions and percentages.

Science

This term we are exploring plants and life cycles. After half term we will be looking at classifying living things. We will also find out about the scientist Carl Linnaeus.

Brightling Class

2025-26

Spring Term

Geography

We are investigating rainforests. We will be identifying where they are in the world and the different types.

Well-being

We are finding out more about healthy relationships and focusing on well-being.

PE

We be working on the Big Dance this term. The children will be rehearsing on a Monday afternoon.

Art

Our artist is Hokusai. We will create our own pictures and painting based on his work.

Computing

We are looking at video editing and how it works.
We will be producing our own videos!

RE

We are investigating the question: What matters most to Humanists and Christians?

MfL

We are learning about different places. Being able to name places and give simple directions.

DT

In DT, we will be making easter baskets using sewing techniques.
