A warm welcome to Woods Corner class.

Our school day will consist of Teacher-Led learning/ Enhanced Provision and Continuous Provision

Our class team is:

Monday – Thursday - Mrs Allcorn

Friday – Mrs Dipple

Science

We will be exploring the changing of the seasons as we enter autumn and winter.

We will also learn about the human body including the 5 senses.

Computing

We will learn how to use technology safely and know how to get help and support if they have concerns about content.

They will identify common uses of information technology beyond school and how to use technology purposefully to create, organise, store, manipulate and retrieve digital content.

RE

We will be learning about what Christian's believe God is like and exploring our Christian Value of Respect.

Music

We will be learning a song called Tony Chestnut and explore it though singing, clapping, actions and tuned percussion.

English

This term we will be embedding our learning in phonics by writing sentences using the focus phoneme. This will also increase their confidence with writing independently

This term we will begin to:

- expand their vocabulary.
- learn how to answer questions.
- develop use of nouns, verbs, prepositions and adjectives.
- Improve their story-telling skills.

Reading is a key focus in Year 1 and 2 are important years to secure the skills required to be confident readers. We develop these skills with daily Guided Reading, weekly 1-1 reading and reading activities in all areas of the curriculum.

Woods Corner Class

2026-27

Autumn Term

Well-being

OPENING Young Minds

Our learning will include:
I will know what to do when I find something tricky.
I will know about different emotions.
I will know that anger can lead to bad decisions and that other people can do surprising things when they are angry,
I will know that failing helps you learn.

PE

Our focus is Gymnastics this term.

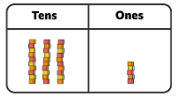

Reading

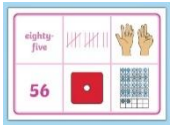

I cannot stress enough how important it is to read with your child at home. Reading with them daily for 5-10 minutes has a huge impact on their progress. Your child will have a Guided Reading book to read at home for the week and they will have a library book of their choice.

Maths

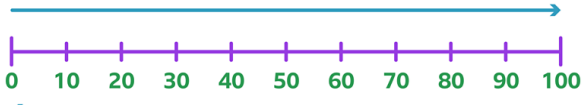

We will be counting within 100 everyday and looking at numeric patterns. Using tens and ones we will make numbers with various apparatus.

Smallest to greatest

History

We will be identifying changes within their living memory and changes in national life. As well as, key historic events, such as, the story of Guy Fawkes and the origins of Bonfire Night.

Geography

We will be answering the question:
Where do we live and what is it like?

Art

We will be learning about the pioneer abstract artist **Paul Klee**. Through the media of Collage we will explore some of his famous work and develop different collage techniques.

DT

Design and develop a model using a range of materials and techniques
