Brightling Class

2026-27

Autumn Term

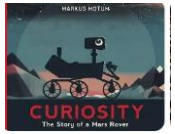

Your Class Team

Mon – Tues – Mrs Bloom
Weds – Fri – Mr Tooze
TA – Mrs Langley
INA – Miss Rayiru, Miss Stait, Mrs Egan and Mrs Brown

Welcome back. We are looking forward to a successful year with Brightling Class.

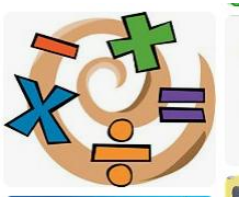

English

This term we are reading Curiosity by Markus Motum. We will use this as inspiration to write about the Mars Rover.

Maths

We are focusing on decimal numbers. We are then moving onto short division and multiplication.

Science

This term we are focusing on space. We will be learning about our solar system, different planets, the orbit, gravity and the earth's rotation.

History

We are learning about Britain's settlement by Anglo-Saxons and Scots.

Well-Being

We are finding out about strategies for resilient responses and facing life's challenges.

Computing

We are looking at computer systems and networks.

PE

We will be working on gymnastics this term and moving onto swimming in term 2.

Art

Our artist is Andy Warhol. We will be producing artwork in his style using different media.

RE

We are exploring different views about creation.

MfL

Linked to our science topic we will be learning how to talk about the planets.

DT

In DT, the children will be making an orrery linked to our science topic.
